Each contestant is only allowed to submit 1 video presentation work.

The presentation work that is declared the winner becomes the property of the competition committee. The committee has the right to use all submitted works for the purposes of publication and documentation of activities. Copyright for the work remains the property of each contestant.

Presentation works that do not comply with the provisions will not be included in this competition.

Announcement of winners will be uploaded on the website www.aaykpn.com on April 12 2019.

B. ASSESSMENT

Assessment is carried out in layers by two teams of judges who are determined by the competition committee.

Each jury gives an assessment based on predetermined scoring criteria.

The results of the first tier judging will recommend works that are declared eligible to take part in the second tier judging.

The results of the second layer of judging will determine the winner of the competition.

The determination of the winner of the competition is based on the accumulated scores of each jury for each work.

The assessment is written directly on the assessment form provided by the competition committee.

The results of the jury's assessment will be recapitulated by the competition committee and the results are ratified by the jury in front of the main competition committee.

The decision of the jury cannot be contested.
