

# LP3M Holds Discussion on Follow-Up of ISO 21001:2018 Audit Findings

Monday, 25 November 2019 22:53 WIB

**HumasUPNVJ** - The UPNVJ Learning and Quality Assurance Institute (LP3M) held a Discussion on the Follow-Up of ISO 21001: 2018 Audit Findings which was held at the Aston Hotel Jakarta, Monday (25/11/2019).

This activity was held to improve the results of ISO 21001: 2018 which was assessed some time ago. The Chancellor and the leadership also attended the discussion on ISO 21001: 2018 today. The event was opened by the Chancellor's remarks, in his remarks, he hoped that many benefits would be obtained after this activity took place, "Over the next two days we will have discussions with Mr. Eric, where previously we had obtained the results of ISO 21001: 2018 the other day. Hopefully today everything can be fulfilled, so that tomorrow *the Risk Register 2020* can be completed as well, but later we still have to *review it* again. Because this is also in line with UPNVJ's vision and mission, in order to be able to become a campus that produces graduates who are highly competitive, therefore, I hope that by holding this ISO follow-up discussion activity, UPNVJ's management can be more advanced and well controlled. Hopefully all of our targets can be achieved well ". he said

The discussion on the Follow-Up of ISO 21001:2018 Audit Findings presented Mr. Eric Wibisono as a guest speaker. In his presentation, he will discuss audit findings, risks and formulated quality objectives, and quality objectives.
