

Thousands of Edutech Expo 2020 Participants Visit the UPNVJ Exhibition Booth

Friday, 07 February 2020 09:17 WIB

HumasUPNVJ - UPN Veteran Jakarta is back at the biggest higher education exhibition in Indonesia, namely the Edutech Expo 2020 with the theme "Implementation of Educational Technology 4.0, Towards Digitalizing Schools in Indonesia". This activity was attended by more than 200 public and private higher education exhibitions and 30,000 participants consisting of students, educational institutions, teachers and education practitioners as well as the 29th Indonesia International Education & Training Expo event.

This major educational event was held at the 2nd Indonesia Edutech Expo 2020 exhibition which was held in conjunction with the 29th Indonesia Int'l Education & Training Expo at the Jakarta Convention Center (JCC), on 6-9 February 2020.

Great enthusiasm for UPN Veteran Jakarta was seen on the first and second day of the Edutech Expo 2020, thousands of participants stormed the UPN Veteran Jakarta exhibition booth. The participants were very enthusiastic to listen to the information provided by the UPN Veteran Jakarta Public Relations team regarding information on SNMPTN, SBMPTN and SEMA UPNVJ. The majority of participants who attended asked the faculty with the greatest interest and the facilities available at UPN Veteran Jakarta.

Reporting from the Edutechexpo.id page, the Director of PT Wahyu Promo Citra, Sukur Sakka, said that the 2nd Indonesia Edutech Expo aims to be a forum for teachers to know, know and be able to take advantage of educational technology products, both in the form of hardware and software. " *Besides being a forum for teachers to improve their professional skills in line with advances in technology, the education sector is growing rapidly* ," said Sukur.

Sukur Sakka added that this exhibition could also be a barometer of the development of educational technology products in Indonesia. As well as references for stakeholders in the education sector in determining policies for fulfilling school infrastructure and improving the quality of teaching and learning that is fun for students.
