HumasUPNVJ - On Saturday, 15 February 2020 the Faculty of Economics and Business UPN Veterans Jakarta held its inaugural public lecture at the Master of Management Study Program with the theme " *Sustainability In Emerging Economics* " with Prof. Dato. Dr. Mohammad Azemi Mohd Noor and Prof. Dr. Abdul Razak Abdul Hadi.

This Master of Management inaugural lecture is intended for all active students in the Master of Management Study Program. The discussion delivered by Prof. Dato. Dr. Mohammad Azemi Mohd Noor regarding *Interfacing Halal - Green Technology for Sustainable Development* and Prof. Dr. Abdul Razak Abdul Hadi presented material on *Disruptive Change/DC (Managing Business Sustainability)* . Apart from discussing the importance of *Disruptive Change/DC* in a sustainable business, Prof. Dr. Abdul Razak also explained how halal in the context of what was done by the company in the form of implementing *quality control (QC)* received very good enthusiasm from the students. This course provides a new perspective on the process of a product being halal or not and its context in a sustainable business.

FEB's goals in holding the *Visiting Professor* program include providing students with experience in an international academic atmosphere, as well as insight and knowledge in management and business, increasing *capacity building* for FEB lecturers, especially in the field of research and international publications, preparing for international classes, especially in preparing international standard learning syllabus, implementation and strengthening of cooperation between FEB UPNVJ and *Business School* Universiti Kuala Lumpur Malaysia, providing insight and knowledge in the field of business economics to students as well as for increasing information about capital structure in the business world around the world.
