Previously it was announced that the registration for UTBK was on March 30 2020 and the implementation of UTBK was on April 20 2020. This postponement was made because of the current national conditions with the outbreak of the Covid-19 virus.

Reporting from the medcom.id page, the Chief Executive of LTMPT, Budi Prasetyo, has yet to determine how long this delay will last. LTMPT is still studying when the registration and implementation of UTBK will be held.
