

Come on, let's make the UPN Veteran Jakarta Tracer Study a success

Thursday, 04 June 2020 12:01 WIB

HumasUPNVJ - *TRACER Study* is a method used by a number of universities to obtain feedback from alumni. This feedback is needed by universities in their efforts to improve and develop the quality and education system.

The UPN Veteran Jakarta *Tracer Study* will later ask for alumni data, the data in question is information about the conditions of graduates of a tertiary institution, and how to get this data. You alumni can answer some of the questions provided.

Tracer studies are currently open for graduates in 2018, let's support and make the implementation successful by sharing the link below with your colleagues and family who are graduates of 2018 UPN Veteran Jakarta.
