**HumasUPNVJ-** UPN Veteran Jakarta's New Student Campus Life Introduction (PKKMB) in 2020 was carried out *online* because it was still during the Covid-19 pandemic, with the theme "UPNVJ Millennial Patriots, Ready to Compete in the Era of *Society* 5.0".

Today, Wednesday 09 September 2020 is the first day of PKKMB which is planned to be carried out for the next four days. Followed by 3,060 new students.

In her remarks, UPNVJ Chancellor Erna Hernawati said that, "The 2020 PKKMB is being held in a different format because it is still during the Covid 19 pandemic. We still have to reduce gathering in large numbers, we still have to keep our distance, so we do this activity *online* . . We haven't been able to see each other face to face. But don't let conditions like this discourage you all. We have to believe that the pandemic will end soon so that all activities, especially lecture activities, can return to normal," said Erna.

Furthermore, it was also conveyed that the purpose of PKKMB activities is to provide provision for new students so that they can adapt more quickly to the campus environment, especially learning and student activities, introduce and add insight to new students in the maximum use of academic facilities available at the university and prepare new students in transition process to become a student.
