

# Information on the National Seminar on Medical Research (SENSORIK) II 2021: CFP and SEMNAS

Wednesday, 03 February 2021 16:08 WIB

A colorful poster for the National Seminar on Medical Research (SENSORIK) II 2021. The poster is primarily orange and red. At the top, it features logos for the Indonesian Ministry of Education and Culture, the Faculty of Medicine, and UPN Veteran Jakarta. The main title 'SENSORIK' is in large, bold, white letters. Below it, the subtitle 'SEMNAS NASIONAL RISET KEDOKTERAN' is also in white. A call for papers is announced, focusing on the adaptation of medical education during the COVID-19 pandemic. The poster lists three focus areas: Basic Medicine, Clinical Medicine, and Pharmacy. It provides important dates for registration, manuscript submission, and the seminar itself. A 'Waktu & Tempat' section specifies the date as February 8, 2021, from 08.00 WIB to 5.00 PM, via Zoom. A 'Publikasi' section lists five journals where selected articles will be published. The poster also mentions that the registration is free (HTM: Free) and provides contact information for the organizers, including a phone number and an email address. A small image of a person in a lab coat is visible in the bottom right corner.
