In addition, before entering the location of the exam room, the participants will go through several health protocols that have been arranged by the UPN Veteran Jakarta UTBK center.

Health Procedures and procedures for implementing UTBK at UPN Veteran Jakarta

The COVID-19 pandemic that is still happening in Indonesia is not a barrier to keep fighting for a bright future. However, some adjustments must be made to prevent the spread during the 2021 UTBK process, one of which is by implementing the Covid-19 Prevention Health Protocol at the UPN Veteran Jakarta UTBK Center.

All parties hope that Prospective Indonesian Students comply with all applicable health protocols. Following are the health procedures for preventing Covid-19 at the 2021 UTBK Center:

1. Checking temperature If the participant's temperature exceeds the provisions of the Covid-19 protocol (> 37.5 degrees C) they are not allowed to take the exam and are welcome to go to a special room for further examination by the medical team.
2. Maintain a minimum distance of 1-1.5 meters.
3. Always use a mask and use personal hand sanitizer.
4. Checking the completeness of documents and checking the test location according to the exam card by the officer.
5. Washing hands
6. Heading to the location of the exam room and waiting in the waiting room that has been provided, both in the waiting room and in the exam room it is hoped that the participants will double-check the document files again independently.
