Thursday, 15 April 2021 14:50 WIB

**HumasUPNVJ** - The Computer Based Writing Examination (UTBK) Joint Selection to Enter State Universities 2021 has been implemented since last Monday, April 12 2021 and today is the fourth day of UTBK implementation at the UPN Veterans Jakarta UTBK center. (15/4)

UTBK participants have been informed since before the D-day of the UTBK implementation to pay attention to the terms and conditions for taking the exam. As reported on the [ltmpt.ac.id](http://ltmpt.ac.id) page, participants are required to bring 2021 UTBK-SBMPTN Participant Cards, Photocopies of certificates that have been legalized for 2020 and 2019 graduates, Grade 12 certificate signed by the Principal, and contains the student's name, NISN Students, school NPSN and recent student color photographs (last 3 months) for class of 2021, other self-identities such as KTP / SIM / Student Card and the most important thing is that it requires UTBK participants to apply 3 M (Wearing Masks, Keeping Your Distance and always paying attention to wash hands).

Talking about these terms and conditions, at the initial point, regarding requiring participants to bring a test card, there are still some who forget to bring a test card. But compared to the other participants, Reza Hasyim, one of the UTBK 2021 participants even brought a test card printed in an unusual size.

When interviewed directly by the UPNVJ Public Relations team, Reza admitted that he deliberately printed such a large test card because of his passionate enthusiasm and it was also clearer for supervisors to see his personal data.

Apart from printing very large test cards, in the past few days, there have been many other unique things that have come from several participants, starting from participants who came for two consecutive days to parents of participants who were willing to lend their shirts to other participants who only wore shirt.
