The Computer-Based Writing Examination-Joint Selection for State Higher Education Entrance (UTBK - SBMPTN) has so far gone smoothly, batch one was carried out on April 12-18 2021 and today, April 26 2021, the second batch of UTBK began.

During the implementation of the first batch of UTBK yesterday, there were still several participants who paid little attention to the rules made by the UPNVJ UTBK center, such as not carrying identification, not wearing shoes, not wearing a shirt/collared shirt and in the wrong location.

So that this mistake is not repeated, the participants must pay attention, including:

Documents brought

1. 2021 UTBK-SBMPTN Participant Card.
2. Photocopies of diplomas that have been legalized for 2020 and 2019 graduates
3. Class 12 certificate signed by the Principal, and containing the student's name, Student NISN, School NPSN and recent student color photograph (last 3 months) for class of 2021.

4. Other personal identification such as KTP/ SIM/ Student Card.

Apart from important documents , **other preparations that need to be made are:**

1. Make sure to arrive at the test location one hour before the exam session starts so you won't be late.
2. Dress neatly and politely (shirts / collars) don't wear shirts, and shoes.
3. Make sure to use a medical mask (mandatory), personal hantsanitizer (mandatory), *face shield* (recommended) and gloves (recommended).
4. Bring personal worship equipment.
5. Provide an umbrella before it rains

In its implementation, the UPN Veteran Jakarta UTBK center will be divided into 2 locations which are on the Pondok Labu Campus and the Limo Campus, so that there are no mistakes when arriving at the location, here is a video link for the location plan of the UPNVJ UTBK center:

1. Location Plan for the Pondok Labu Campus: s.id/denahutbkkampuspondoklabu
2. Limo Campus Location Plan: s.id/denahutbkkampuslimo
3. Floor plan link: s.id/utbkutbkupnvj21

As well as **health protocols that must be implemented:**

1. Checking temperature If the participant's temperature exceeds the provisions of the Covid-19 protocol (> 37.5 degrees C) they are not allowed to take the exam and are welcome to go to a special room for further examination by the medical team.
2. Maintain a minimum distance of 1-1.5 meters.
3. Always use a mask and use personal *hand sanitizer* .
4. Checking the completeness of documents and checking the test location according to the exam card by the officer.
5. Washing hands
6. Heading to the location of the exam room and waiting in the waiting room that has been provided, both in the waiting room and in the exam room it is hoped that the participants will double-check the document files again independently.

Hopefully the implementation of the second wave of UTBK will run smoothly and in accordance with applicable regulations
