HumasUPNVJ - Tuesday, May 4 2021 is the last day of the Computer Based Writing Examination (UTBK) for joint selection to enter state universities (SBMPTN).

For more than two weeks, UPN Veteran Jakarta (UPNVJ) carried out UTBK which ran smoothly and according to the procedures in force. Even though it was carried out in the middle of the month of Ramadan and in the midst of the Covid-19 pandemic, it did not reduce the enthusiasm of the committee and exam participants to make this year's UTBK successful.

It was recorded, 15,915 participants registered at the UPNVJ UTBK center, 15,353 or around 96.4% had attended to take the exam and around 562 other participants could not attend to take the exam with various obstacles.

With the end of this year's UTBK implementation, the entire UPNVJ UTBK committee hopes that the participants will get the best results for the efforts that have been made and enter the coveted tertiary institution.
