Dr. Ermatita, M.Kom

Dekan Fakultas Ilmu Komputer UPNVJ

The Chancellor gives a speech

HumasUPNVJ â€œ In order to support the needs of the Merdeka Learning Campus Merdeka (MBKM) curriculum, the Faculty of Computer Science (FIK) UPN Veteran Jakarta (UPNVJ) held an online Launching of the Computer Science Study Center, on Sunday (25/07/21).

FIK Dean, Dr. Ermatita, M.Kom, in her remarks said that the Computer Science Study Center was the result of a collaboration between FIK UPNVJ and Huawei and Sprint Asia which aims to provide a variety of educational information services so that it is useful for developing lecturer competence and producing graduates who are competent and able to answer all existing and relevant challenges in industry world.

"The center for computer science studies that was launched, in order to respond to the educational needs of state universities in an independent state to study in an independent campus," explained Dr. Ermatita.

In this case the Chancellor of UPNVJ Dr. Erna Hernawati, also appreciated the Dean of the faculty and staff for the realization of the Center for Computer Science Studies.

"I hope that the vision and mission of the Center for Computer Science Studies can become partners for universities and faculties in improving the quality of human resources, and can provide strategic recommendations for universities and the world of education, especially in the field of computer science," said the Chancellor.
