HumasUPNVJ - There are several challenges in the midst of a pandemic that has not gone away for about two years, such as learning that must be carried out remotely (PJJ), with this in mind, UPN Veteran Jakarta continues to make policies which of course can make it easier for its academic community especially for students. Therefore, UPNVJ held *LeADS* outreach to all students which was held online through *the zoom meeting platform* which was attended by approximately 2,000 participants. (4/8/21).

The *LeADS* socialization was also attended directly by the Vice Chancellor for Academic Affairs, Antar Venus, "Today in particular, UPNVJ is holding a *LeADS* socialization, *LeADS* or *Learning Activities Through Digital System* is a substitute for UPNVJ *e-learning*, this *LeADS* is packaged more systematically to make it easier for students lecturers and students. This socialization is the third time, starting from the admin, lecturers and now it's for students," explained Venus.

"Please note, the ministry's policy is still the same for the 2021-2022 academic year, we still use PJJ more, UPNVJ uses a policy, namely to hold *hybrid learning* with the main condition being that it has carried out vaccinations and with a record that safety, health, safety remains number one, in accordance with strict prokes," he said

"Hopefully after we switch to *LeADS*, everyone can get easier access because of course in this system there are many features that make it much easier than previous *e-learning* ," concluded Venus at the end of her remarks.

This socialization activity was followed by the provision of material regarding the use of LeADS by UPNVJ Head of Elearning, Andika Octa Indarso and accompanied by Ibnu Malkan, Fajar Rahayu, Asep Saiful Ridwa and Sigit Pradana.
