HumasUPNVJ - As a State University, UPN Veterans Jakarta has the identity of **the State Defense Campus**, namely a campus that instills an attitude of love for the Unitary State of the Republic of Indonesia based on Pancasila and the 1945 Constitution of the Republic of Indonesia, awareness of being a nation and a state and willing to sacrifice for the State Unitary Republic of Indonesia. For this reason, the activities of the Creative Collaborative Ethics Learning Stimulation Program (PROSPEKTIV) are carried out to strengthen the character of all UPNVJ students so that they can have the character of defending the country, with integrity, discipline, honesty, being able to adapt quickly and ethically.

The first Prospective series was held last Saturday (4/9/2021) online which was attended by approximately 3636 new students. Also present was the Chancellor of UPNVJ, Erna Hernawati to give the opening remarks in the first series of this prospective, in her remarks the Chancellor explained that Prospektiv was implemented as a forum for new students to be able to further explore their ideas and creativity, "Activities of the Stimulation Program for Learning Collaborative Creativity Ethics (PROSPEKTIV)) UPN Veteran Jakarta 2021 will be held 16 meetings (every 2 weeks on Saturdays from 08.00 to 10.00 WIB) starting September 4 2021. There are many benefits that you can take from the series of process activities carried out by UPN Veteran Jakarta. For this reason, prepare and take care of yourself physically and mentally so that you can participate in all activities with full confidence, discipline and follow all procedures and instructions from university level leaders and faculty level leaders. Follow all the policies

and rules that apply in the campus environment in order to achieve a conducive atmosphere in the learning process, do not take actions that violate the rules. Achievements in the academic and non-academic fields are highly expected for the progress of the campus, because this activity is an effort given by the campus as a place for UPNVJ students to be able to open their horizons to be even more creative, "explained Erna.

PROSPEKTIV activities are also expected to raise awareness of the existence of things that can hinder new student studies, including being able to hinder the achievement of national goals, for example issues of radicalism, terrorism, drug abuse, sexual violence, plagiarism, corruption, and others.
