

# Proud, Muhammad Alfian Recipient of Mahardika's Work with the Highest Achievement Score

Sunday, 26 September 2021 16:07 WIB

**HumasUPNVJ** - The 67th Graduation Ceremony of the Jakarta Veterans National Development University (UPNVJ) entered its second day, Sunday (26/09/21)

By continuing to use strict health protocols, the 67th graduation went smoothly and solemnly.

The graduates on the second day came from three different faculties. Among them are the Faculty of Law (FH), Faculty of Engineering (FT), Faculty of Health Sciences and Faculty of Social and Political Sciences (FISIP).

Not just graduating, this graduation is also a special moment for students who received the Karya Mahardika award with the highest national and international achievement scores of 580 with a Grade Point Average (GPA) of 3.77

The graduate is Muhammad Alfian, a graduate from the Faculty of Health Sciences, the Nursing Study Program.

Alfian is the recipient of the Mahardika Work with the highest score with the most achievements both nationally and internationally.

Among them are the Gold Medal winners in the International Paper Competition, Indonesia Inventors Day 2020, Bronze Award and IAJ Special Awards in the 2019 World Invention And Technology Expo (WINTEX) by INNOPA.

In addition, '1st Place in the 2020 National Nursing Scientific Festival (NSF) Competition Himkajaya FK Universitas Brawijaya in the field of ES Speech (Essays and Scientific Orations).

Not only having excelled in prestigious competitions, Alfian is also active as a speaker and author of a book entitled "Narration of Young Leader Candidates" publisher by Mecca Publisher, South Sumatra, with ISBN 978-623-330-068-1 in 2021

In this case the Chancellor of UPNVJ Dr. Erna Hernawati, Ak, CPMA, CA, CGOP gave high appreciation and gave Alfian a laptop unit as a token of appreciation and motivation to other students.

The Chancellor also always reminds us to always maintain the good name of the alma mater and always develop self-competence to keep pace with changes and developments in the industrial world.
