HumasUPNVJ - Still in online form, the UPN Veteran Jakarta Public Relations Team has received many invitations to provide outreach to discuss the acceptance of new students for the 2021/2022 academic year. One of them was an invitation from the East Jakarta Guidance and Counseling Teachers' Meeting (MGBK JakTim), Tuesday 26 October 2021. More than 1,000 participants participated in this outreach consisting of teachers and students from various SMA/SMK/MA

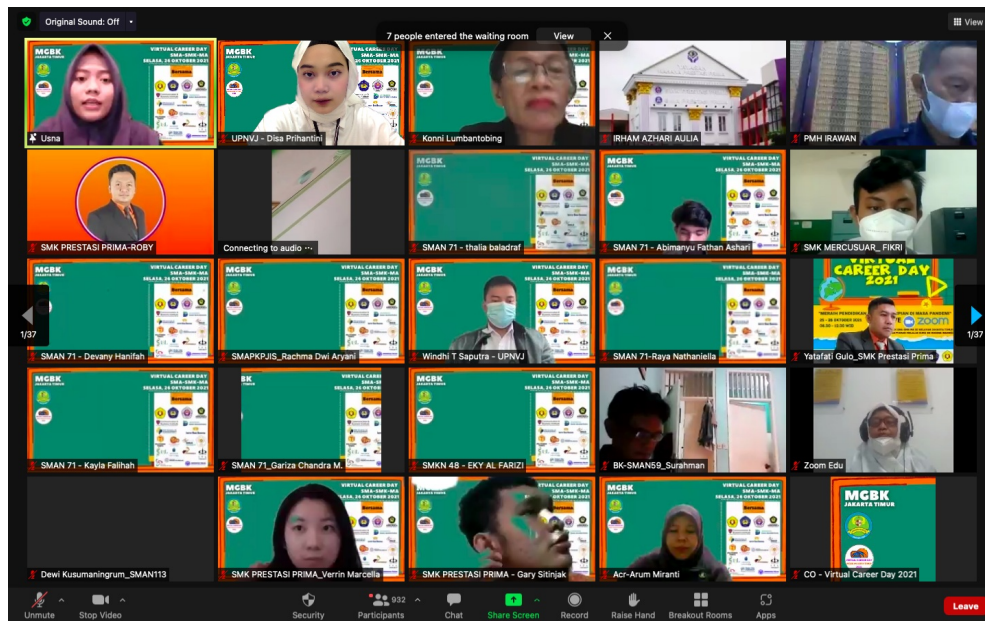

Widhi Tia Saputra as the Head of the UPNVJ Public Relations Technical Implementation Unit together with Disa Prihantini gave a presentation regarding information regarding the acceptance of new students for the 2021/2022 academic year.

"We thank MGBK for inviting us to be a resource person in this socialization, we hope that the material we convey can be understood properly by all participants, especially to all grade 12 students who attended," said Windhi in his remarks

In addition, UPNVJ Public Relations also provides specific information related to the campus, starting from infrastructure, tuition fees, scholarship information, to information related to the Student Activity Unit (UKM) at UPNVJ.

"Follow your friends' *passion* , where you like, don't take majors that you don't want, make a choice of majors/faculties that are tailored to the abilities you have and of course keep discussing with your parents," Disa concluded at the end of the presentation

All participants looked enthusiastic as seen from the number of participants who participated in the discussion session.
