HumasUPNVJ - In order to improve and maintain accreditation for study programs at UPN Veterans Jakarta. The Institute for Learning Development and Quality Assurance (LP3M) held a Socialization of the Conversion Supplement Instrument (ISK) and the Monitoring Instrument for Fulfillment of the 2021 Accreditation Rating Requirements (IPEPA) which was held *virtually* and presented Prof. Dr. Indriaty Sudirman, SE, M.Si with two agendas, namely monitoring accreditation through IPEPA and strategies for increasing accreditation through the Conversion Supplement (ISK) instrument. Also present were the Chancellor of UPNVJ, Deputy Chancellors, Deans, Deputy Deans, Head of Department, Head of Study Program, Secretary of Study Program, GKM Team, AMI Auditor Team and Heads of LP3M. (28/10)

In his presentation, Prof. Dr. Indriaty explained regarding the accreditation extension process, "Higher education accreditation carried out by BAN PT goes through three stages of monitoring: Monitoring Phase 1, Monitoring Phase 2 and Monitoring Phase 3. BAN PT will later carry out monitoring using IPEPA," he explained.

The activity was followed by a discussion session by all participants with resource persons.
