The Nurse Professional Study Program produces an average GPA of 3.90.

This year the highest GPA was achieved by M.Pachmi Pratama S. from the Faculty of Law with a GPA of 3.96.

Furthermore, remarks from the Minister of Research, Technology and Higher Education who was represented by the minister's expert staff, in his speech said "There has been a significant increase in the quality of institutions through the acquisition of Institutional Accreditation by BAN-PT.

In 2015 only 26 tertiary institutions were accredited as institutional A, while in 2017 there were 56 higher education institutions that were accredited A. Likewise with the quality of study programs, in 2017 there were already more than 12,700 study programs with excellent accreditation (A and B). He further conveyed, I hope UPN "Veteran" Jakarta can continue to find its own uniqueness and superiority, by focusing on the spirit of innovation, so as to create superior products that have high value and are able to compete in the global market." Those are just a few of the speeches delivered by the ministerial expert staff at the 59th graduation ceremony at the JCC.
