HumasUPNVJ - In an effort to understand and fulfill the Annual Main Performance Indicator (IKU) target for State Universities, the Vice-Chancellor Forum for the Western Regional Cooperation Agency held a *Sharing Session* with the Secretary of the Directorate General of Higher Education, Ministry of Education and Culture, Research and Technology, Dr. Ir. Paristiyanti Nurwardani, MP which was held online and was attended by 120 participants consisting of each Vice Chancellor for Academic Affairs (or a representative) from 37 PTNBs in the Western region. (17/12)

The activity began with an introduction from the secretary of BKS-PTNB, Dr. Nizwan Zuhri, SE, MM, "The West Region BKS-PTNB has prepared several programs, one of which is the Permata Sari program. This program is a student exchange for PTN in the West region. Talking about increasing IKU, hopefully after this online meeting with the Secretary General, we can all focus on increasing PTN IKU in accordance with the existing targets," he concluded

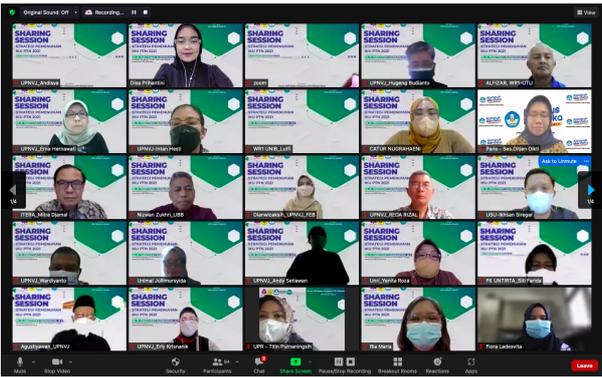

Dr. Erna Hernawati, Ak, CPMA, CA, Chancellor of UPNVJ in her remarks thanked the Secretary of Directorate General for taking the time to be present in the midst of representatives of 37 PTNB Western regions.

Dr. Ir. Paristiyanti, Sesditjendikti explained that PTN will receive APBN funding through three different mechanisms, "PTN performance will be assessed based on the IKU which is a performance contract between PTN and the Ministry of Education and Culture. The amount of data for the following year will be determined based on the level of achievement of the KPI target compared between PTNs with the same type of law. PTNs get the opportunity to receive additional funding if the PTN can increase revenue from non-government sources, the funding formula will be made progressively and limited to certain areas , PTNs will be given the opportunity to submit proposals about major projects or transformations to be carried out and the total budget to be given in the category, " *competitive fund*" is limited in nature," he explained

Paristiyanti explained a lot about the KPI Fulfillment Strategy, one of which explained explanations regarding parameters and data sources. At the end of her presentation, Paristiyanti gave a message that BLU PTNs that were ready and stable could quickly become PTNBH.
