5 PERTANYAAN TERBAIK AKAN MENDAPATKAN HADIAH MEMARIK

HumasUPNVJ - Chancellor of UPN Veterans Jakarta, Dr. Erna Hernawati, Ak, CPMA, CA, CGOP, who is also an ISEI Jakarta administrator, had the opportunity to become a moderator at the *Zoom Webinar* event held by ISEI Jakarta on January 24 2022. This webinar carries the theme *Improving the Quality of Human Resources Through the Transformation of MBKM Higher Education and Dudi Collaboration (World Business and Industry)*.

Erna Hernawati is of course grateful for the opportunity given to be a moderator at this extraordinary event. In her introduction, Erna alluded to the signing of the Memorandum of Understanding which was done before the webinar. According to Erna, this is an extraordinary step to support the Independent Learning-Independent Campus Program (MBKM). "Ladies and gentlemen, all of us have witnessed the MoU earlier, which is of course an extraordinary thing because in this MoU it rarely happens when there is the presence of the Ministry of Education and Culture, Research, Technology, and Higher Education, then professional institutions are also present as facilitators and Dudi (Business World and Industry World) which was attended by Kadin, Himbara, and the Indonesia Stock Exchange. Of course, these are institutions that are indeed a reference for students in carrying out MBKM activities," said Erna

This activity has also become even more extraordinary because all parties are committed to supporting MBKM and producing superior human resources to become an advanced Indonesia. Erna believes this activity will be very beneficial for all of us, especially in higher education. What we should also be grateful for is the consistency of the ISEI Professional Institute which continues to strive and strive to always facilitate matters related to the development of Indonesian Education. Erna hopes that all professions in Indonesia can increase their contribution and participation in preparing quality human resources through the MBKM program.

The webinar was followed by presentation of material by several credible sources in their respective fields, including:

- 1) Prof. Ir. Nizam, M.Sc., DIC., Ph.D, Director General of Higher Education Ministry of Education, Culture, Research and Technology of the Republic of Indonesia,
- 2) Bhima Yudhistira Adhinegara, recruited by the Center for Economic and Law Studies, and
- 3) Rizal Fahreza, Young Entrepreneur/Millennial Agricultural Development.
