HumasUPNVJ - UPNVJ Kaleidoscope 2022 is a routine activity held by UPN Veteran Jakarta, and has entered its second year. Due to several time constraints, the UPNVJ 2022 Kaleidoscope only took place today (11/1) 2023. Even though it was not carried out on time, Kaleidoscope 2022 still made hundreds and even up to 1070 achievements. This makes the university leadership feel proud of all UPNVJ students who have given many achievements to their beloved campus.

In his report at the beginning of the activity, the Vice Chancellor for Student Affairs and Cooperation, dr. Ria Maria conveyed all the activities and competitions that UPNVJ's outstanding students have participated in in 2022.

Anter Venus, the Chancellor of UPNVJ in his speech hoped for and also gave praise to the students and faculty who dedicated themselves to giving the best for UPNVJ, "Student activities are one of the most important dimensions and elements in campus life. On this campus, there are 3 activities: intracurricular, co-curricular and extracurricular. The campus has access and networks for students who can really develop their interests and talents. UPNVJ as a place and place to study for students really fully supports all student activities, both academic and non-academic. This new year is the beginning for us to continue to show the world that we can move forward together to compete with all the other best state universities, at the national and international levels," said Venus.

"We will of course continue to develop UPNVJ students to take part in various kinds of activities and competitions. We see student achievement for this year is very developed in accordance with the times. For the previous year, UPNVJ won 354 achievements based on competitions consisting of 321 achievements at the national level and 33 achievements at the international level and in the achievement category based on

participants a total of 1070 achievements consisting of 972 achievements at the national level and 98 achievements at the international level. We really appreciate all the students who were involved in all of these competitions, and with this activity we hope that it can be a place to give special appreciation to all of UPNVJ's best students last year. "Hopefully the other UPNVJ students can be motivated so they can also give their best work to their beloved UPNVJ this year and the following year," concluded Venus hopefully.

The UPNVJ Chancellor gave awards to the best students and faculties of 2022 in several categories, including: The Student Achievement Category (Presma Award) which successfully awarded the seven best students from each faculty within UPNVJ including Royal Eden More Silaban from the Faculty of Medicine, Mouva Putri Ramadhita from the Faculty of Law, Meisya Tri Utami from the Faculty of Health Sciences, Kanaya Aisha Qur'ani Koraag from the Faculty of Social and Political Sciences, Alifia Farah Shaffira from the Faculty of Economics and Business, Thariqhat Rama Putra from the Faculty of Computer Science and Achmad Za'im Mudzaki from the Faculty of Engineering. Then the Best Contest Management Category was won by FEB and FIKES, the Faculty Category with the Most Student Achievements was won by FIKES, FEB and FISIP and the General Champion for Kaleidoscope 2022 was awarded to the previous year's defending champion, namely FIKES.
