The Chancellor on his occasion also said that he found that in literacy activities like this started a long time ago typical of Indonesia, so the moment of halal bilhalal must always be preserved.

"Certainly we have bad relationships with colleagues and others, this is a moment for friendship between us humans, because humans are the source of mistakes and forgetfulness, so this is an important moment that we should not miss as much as possible," said Dr. Anter Venus UPNVJ Chancellor in his speech.
