

UPNVJ Holds Field III Deputy Rector Meeting with Prof. Ir. Nizam, Director General of Higher Education and Technology

Thursday, 06 July 2023 15:41 WIB

HumasUPNVJ - In order to strengthen the field of cooperation of State Universities (PTN) UPN Veteran Jakarta (UPNVJ) held an agenda for the Vice Chancellor (WAREK) meeting for Cooperation in the Bhineka Tunggal Ika Auditorium, UPNVJ Pondok Labu Campus.

"I hope this is the starting point or trigger for meetings of other cooperation sections, among which we can jointly design human resource development together. We were previously under the ministry of defense so indeed we have several implementation agendas for defending the country which might be material for joint discussions or joint activities" said UPNVJ Chancellor Dr. Anter Venus in his speech, on Thursday (06/07/23).

"Take advantage of this extraordinary forum. I hope this will be a trigger for the next meeting, because we have to have a starting point and Alhamdulillah, friends here can start it at our house, the UPN Veterans Jakarta campus," he added.

Special on the agenda this time, UPNVJ presents Prof. Ir. Nizam, Director General of Higher Education, Research and Technology online. In his discussion Prof. Nizam discussed the Strategy for Building Foreign Cooperation. In his presentation Prof. Nizam gave a broad description of how to build foreign cooperation by implementing several programs initiated by the Ministry of Education and Culture, one of which was the Merdeka Campus.

In this session, the invited guests who attended were also able to directly ask questions and answers to Prof. Nizam to form perceptions and find solutions to some of the problems or obstacles faced at their respective universities.

Apart from Prof. Nizam, this time the agenda also invited the Head of Puska Bela Negara UPNVJ, Dr. Ridwan S.Sos., M.Si who discussed the Implementation of State Defense in Higher Education, in this session Dr. Ridwan provided information on how far UPNVJ had implemented State Defense as a new illustration for Warek IIIs to be able to implement it also at each PTN.

Not only discussing, in the agenda of this meeting the Warek III could also benefit from the facilities available at UPNVJ, one of which is Hyperbaric. Participants can feel the atmosphere using a hyperbaric medical device free of charge, which can regenerate good cells in the body.
