Saturday, 03 February 2024 22:54 WIB

**Public Relations UPNVJ** - Dharma Wanita PBB (DWP) UPN "Veteran" Jakarta has distributed donations to ten recipients of "tali of love" in the form of cash and basic necessities.

This is a follow-up to the collection of donations and charity bazaars in the series of events for the 24th anniversary of Dharma Wanita Pertama and commemoration of Mother's Day last year.

The ten recipients of donations have met the criteria set by the DWP management, including senior members (retired UPNVJ) who are suffering from illness, widow status (employees or widows of UPNVJ employees) with dependent children who are still in school, DWP members (wives of employees/retired UPNVJ ) who covers daily living needs because her husband is sick and unable to carry out activities, and so on.

Even though the amount of donations given is not much, the DWP management hopes that this "tribution of love" can slightly ease the burden on the recipients. It is also hoped that this donation can further strengthen the ties between the management and DWP members.

Finally, the DWP management would like to express their sincere thanks to the donors, whether they have donated money or goods to be sold at the charity bazaar. The management hopes that all parties involved in this activity will always be blessed by God Almighty. (\*wit/PRUPNVJ)
