UPN "Veteran" Jakarta Enters the Top 10 Campuses with the Highest Average Scores for the 2018 SBMPTN

Friday, 06 July 2018 11:13 WIB

HumasUPNV J - Reporting from *goodnewsfromindonesia.id* The results of the announcement of the 2018 State Higher Education Entrance Joint Selection (SBMPTN) have been carried out. Of the 860,001 test takers, only less than 200,000 participants, to be precise, 165,831 passed this selection. This means that only 19% passed the selection or in other words one seat in one PTN was contested by around 20 prospective students from all over Indonesia.

Of all the PTNs selected by prospective students, UPN "Veteran" Jakarta occupies tenth position in the science and technology sector and ninth position in the social and human affairs sector.

Following, *CNN Indonesia (https://www.cnnindonesia.com/gaya-hidup/20180703213515-284-311235/10-provinsi-dengan-nilai-rata-rata-tertinggi-sbmptn-2018)* summarizes the 10 campuses with the highest average acceptance scores through the 2018 SBMPTN route:

Science field :
