Public Relations of UPNVJ - National Development University "Veteran" Jakarta (UPNVJ) again attended an invitation to socialize new student admissions at SMA Negeri 86 Jakarta, on Thursday (11/14/24).

Different from the previous socialization where the participants were students, this time the participants came from parents who wanted to know directly about the UPNVJ entrance route.

A total of 80 guardians attended the two-way socialization agenda, so that participants could ask about anything related to the UPNVJ entrance process.

"Alhamdulillah, UPNVJ is here, which is one of our efforts to make it easier for parents to understand and know the explanation and process of entering UPNVJ," said Dr. Ratna Budiarti, Principal of SMA Negeri 86 Jakarta.

In the process, UPNVJ Public Relations provides a comprehensive explanation of important information, capacity, education costs and collaboration partners for both scholarships and student exchanges.

The great enthusiasm of the parents was evident from their listening and asking questions directly.

Not only Q&A, on this special occasion, UPNVJ Public Relations also gave prizes to parents who asked questions as a form of appreciation.
