National Development University "Veteran" Jakarta (UPNVJ) is once again the center of the Computer-Based Written Examination for the National Selection Based on Test (UTBK-SNBT). Various preparations have been made and reviews are also carried out periodically by all committees and officers of UTBK-SNBT UPNVJ.

Based on this year's data, UPNVJ has 22,621 UTBK-SNBT participants.

This is followed by the number of computer facilities increasing from 830 units in the previous year. This year, the number is 1,020 units spread across 30 exam rooms and two exam locations.

The implementation of UTBK-SNBT will take place in two locations, namely the UPNVJ Pondok Labu Campus, South Jakarta, and the UPNVJ Limo Campus, Depok.

In future implementation, UPNVJ can accommodate up to 2,040 participants per day with two exam sessions.

In one day, a total of 1,630 participants will take the exam at the Pondok Labu Campus, while 410 others will take the exam at the Limo Campus.

On this occasion, the Coordinator of the UTBK UPNVJ Implementation, Fajar Nugroho, hoped that the implementation of this year's UTBK could run smoothly without any significant obstacles.

He also appealed to participants to pay attention to the exam location, bring the necessary documents, wear appropriate clothing, and arrive at least one hour before the exam starts.

With thorough preparation and adequate facilities, UPNVJ is ready to make the 2025 UTBK-SNBT a success.
