HumasUPNVJ — A number of honorary employees from the National Development University "Veteran" Jakarta (UPNVJ) participated in the implementation of the Government Employee Examination with a Work Agreement (PPPK) Phase II which was held on May 5 and 6, 2025.

The exam was held at the Graha Angkasa Pura I Building, Kemayoran, Central Jakarta, with strict supervision from the organizing committee and technical support to ensure the smooth running of the selection process. Participants came from various work units within UPNVJ, and took part in the selection according to the job formation determined by the government.

The participation of UPNVJ honorary employees in the PPPK selection is part of the institution's commitment to supporting national policies to provide certainty of employee status to honorary workers who have served with high dedication.

"This is a great opportunity for honorary employees who have worked for a long time with full loyalty. We hope for the best results for all participants from UPNVJ," said the Head of the UPNVJ Personnel Working Team, Dio Aris Setiawan.

The exam was conducted in an orderly and smooth manner, with participants showing enthusiasm and readiness in facing the entire series of tests. UPNVJ provided full support, starting from participant data collection, information provision, to administrative assistance.

As a form of commitment and concern for employee welfare, UPNVJ also provides support in the form of providing transportation facilities in the form of pick-ups for all participants to the exam location.

This facility not only helps participants to arrive on time and in a prepared condition, but also shows the institution's concern for the comfort and smoothness of the selection process.

The results of the PPPK Phase II exam will be announced by the National Selection Committee (Panselnas) according to the specified schedule. All UPNVJ academicians provide their best prayers and support for the participants.
