HumasUPNVJ - Proud news comes from the National Development University "Veteran" Jakarta (UPNVJ). The Bachelor's degree from the Law Study Program has officially achieved an Excellent accreditation rating from the National Accreditation Board for Higher Education (BAN-PT).

This achievement is stated in the Decree of the Director of the Executive Board of BAN-PT Number: 6771/SK/BAN-PT/Ak/S/VI/2025, with an accreditation score of 363. This Superior Accreditation is valid from June 14, 2025 to June 14, 2030, replacing the previous decision Number 4662/SK/BAN-PT/Ak-PNB/S/XI/2023.

This highest accreditation status is proof of the UPNVJ Law Study Program's commitment to maintaining educational quality standards, responding to increasingly complex and dynamic developments in legal science, and strengthening competitiveness at the national level.

However, BAN-PT emphasized that this Superior status can be revoked if at a later date the Law Study Program is proven not to have met the requirements during the accreditation period.

UPNVJ Chancellor, Prof. Dr. Anter Venus, MA., Comm, expressed his appreciation for the hard work of the entire academic community of the Faculty of Law.

"This achievement is the result of joint work—lecturers, education staff, students, and alumni. This will be an encouragement for us to continue to improve the quality of education and services," he said.

With this Superior accreditation, the UPNVJ Law Study Program further strengthens its position as a superior and competitive legal education institution.
