HumasUPNVJ - Universitas Pembangunan Nasional Veteran Jakarta (UPNVJ) is again holding the National Defense Exam as part of the 2025 Independent Selection (SEMA) series. This exam was attended by 8,520 participants simultaneously online, on Wednesday, June 25, 2025.

The National Defense Exam aims to measure prospective students' understanding of the basic values of Pancasila, national insight, citizenship, and the spirit of defending the country. Participants work on 100 multiple-choice questions with a 120-minute working time online from their respective locations.

Although carried out online, the supervision process is still carried out offline by the UPNVJ supervisory team. A total of 178 supervisors consisting of lecturers and UPNVJ education staff are divided into four supervisory coordination rooms, to ensure smoothness and compliance with procedures.

UPNVJ New Student Admissions Coordinator, Fajar Nugroho, emphasized the importance of supervisors understanding the latest procedures. "This year's supervisors number 178 people. I hope all supervisors understand the latest guidelines and procedures so that the exams run smoothly and orderly," he said.

In line with that, Dra. Intan Hesti Indriana, as Secretary of New Student Admissions, emphasized the importance of integrity and focus in carrying out supervisory duties. "Make sure all participants are present and the procedures run according to the rules. Thank you for your contribution, let's guard this mandate as best we can," she said.

Representative of the Internal Supervisory Unit (SPI) UPNVJ, Lidya Primta Surbakti, also reminded the importance of a conducive atmosphere during the exam. "Maintain the calm of the coordination room, avoid speaking too loudly so as not to disturb other supervisors," she advised.

The announcement of the results of the National Defense Examination is scheduled for July 4, 2025 at 15.00 WIB via the official website www.pendaftaran.upnvj.ac.id.
