Public Relations of UPNVJ - Five lecturers from the Faculty of Economics and Business, Veteran National Development University Jakarta (FEB UPNVJ) received Publication Assistance for Reputable Journals in 2025 from the Ministry of Education, Culture, Research, and Technology. This program supports their scientific articles that have passed or are in the process of being published in journals indexed by Scopus, Web of Science, or accredited nationally, to strengthen the culture of excellent research at the national and international levels. This achievement involves Dr. Ade Nur Rohim, Dr. Ali Tafriji Biswan, Dr. Ranila Suciati, Dr. Raden Parianom, and Faizi, SEI, M.Si. , Ph.D., who contribute to the development of economics and business.

The assistance was provided as an appreciation for the lecturers' contribution in producing quality work, while also enhancing UPNVJ's reputation. Dean of FEB UPNVJ Dr. Jubaedah stated, "The recipients of this assistance are a form of appreciation for the lecturers' contribution in producing quality scientific work published in reputable national and international journals. This achievement also reflects FEB UPNVJ's commitment to encouraging the improvement of research quality, scientific publications, and academic competitiveness of lecturers at the national and global levels." This program is part of the institution's efforts to encourage academics to actively research and publish their work.

The achievements of these five lecturers are expected to motivate other colleagues to increase their research output, thereby enriching knowledge in the fields of economics and business. Such initiatives also strengthen UPNVJ's position as a university focused on academic excellence.
