UPNVJ Public Relations - Veteran National Development University Jakarta (UPNVJ) held a gathering and social gathering to welcome the New Year 2026 at the Bhinneka Tunggal Ika Auditorium on Friday, January 2, 2026. The event, attended by representatives of employee work units, served as a momentum for reflection on 2025 achievements as well as alignment of 2026 targets, with the aim of strengthening the togetherness of the academic community in facing the challenges of higher education. The process took place through remarks from the leadership and direct interaction sessions to absorb the aspirations of lecturers and education staff, supporting the improvement of university governance.

The event was opened by the Vice Rector for Planning, General Affairs, and Finance, Prof. Dr. Ir. Netti Herawati, M.Si. , who expressed her hope that last year's achievements would become the foundation for better performance. "Hopefully, 2025 will be our stepping stone to be better in 2026. May we always be strong in facing anything together," she said. Rector Prof. Dr. Anter Venus, MA, Comm., emphasized this momentum as a space for collective reflection and planning, by highlighting strategic achievements such as the "Informative" predicate for Information and Documentation Management Officers and the Higher Education Public Relations Award with the achievement of 2 Silver Medals and the 2nd Place ranking for Main Performance Indicators within the Ministry of Higher Education, Science, and Technology, competing with 32 other public service agency state universities.

Other achievements include the addition of superior study programs, the establishment of the UPNVJ Community Territory (UCT) as a center for corporate social responsibility activities, and plans to build a 7.2-hectare teaching hospital in Pasar Kemis. However, the Rector cautioned against future challenges, such as changing performance indicators and transforming the sustainable campus environment. The agenda concluded with a dialogue session, where employee aspirations were directly heard and followed up to improve services.
