

International Webinar: Multidisciplinary Approach In Covid-19

Jumat, 19 Juni 2020 16:06 WIB

The poster features a blue background with a grid pattern. At the top, a red banner reads "INTERNATIONAL WEBINAR". Below it, the theme "THEME MULTIDISCIPLINARY APPROACH IN COVID-19" is displayed in white and yellow. The date and time are listed as "Saturday, 20 June 2020" from "14.00 - 16.30 WIB" or "09.00 - 11.30 MET". Logos for IDI (Indonesian Doctors Association) and Jakarta Vascular Center are visible. The poster lists a "PROVOCATEUR & SPEAKER" and several "SPEAKERS" with their names, titles, and topics. At the bottom, it provides a registration link, a registration deadline, and mentions that the webinar is free and includes an e-certificate for up to 500 participants. It is supported by the Jakarta Vascular Center and MKEK IDI Pusat.

Jakarta Vascular Center and MKEK IDI Pusat

HumasUPNVJ - UPN Veteran Jakarta bekerja sama dengan Ikatan Dokter Indonesia yang di dukung oleh Jakarta Vascular Center and MKEK IDI Pusat menyelenggarakan Webinar Internasional dengan Tema: **"Multidisciplinary Approach In Covid-19"** yang akan diselenggarakan pada Hari Sabtu, 20 Juni 2020 pukul 14:00 - 16:30 WIB.

Guru besar UPNVJ, Prof. Dr. med. dr. Frans Santosa, SpJP, FIHA menjadi *Provocateur & Speaker* dalam webinar ini. Prof. Frans mengambil topik tentang *"Stay at home, Stay Healthy, and Stay Safe"*. Selain Prof Frans, Dekan FK UPNVJ, dr. Dr. Prijo Sidipratomo, Sp. Rad(K) juga menjadi salah satu *speakers*. dr Prijo mengambil topik mengenai *"The Radiologist's Role in Covid-19"*.

Humas UPNVJ berkesempatan mewawancarai dr. Prijo terkait persiapannya dalam pelaksanaan webinar internasional ini, "Untuk persiapannya, Saya mempersiapkannya pasti sangat maksimal ya tentunya, seperti mempersiapkan presentasi dll. Dan perlu diketahui bahwa dimasa pandemi sekarang ini, saya rasa kegiatan saya jauh lebih padat dari sebelumnya". Ucapnya

"Sesuai dengan topik yang akan saya bawakan, yaitu: *"The Radiologist's Role in Covid-19"*, saya akan membahas mengenai apa sajakah peran ilmu rontgen atau radiologi dalam penanganan-penanganan Covid - 19 saat ini. Dari mulai *imagine* yang biasa sampai dengan *imagine* yang jauh lebih komprehensif, baik dari bagaimana cara pemakaiannya dan bagaimana perannya". Lanjut dr. Prijo

dr. Prijo berharap, "Setelah webinar ini terlaksana, maka apa yang menjadi pegangan atau acuan bagi para dokter yang menangani covid ini bisa semakin tercerahkan sehingga mereka bisa memanfaatkan hasil dari webinar ini dalam menjalankan pekerjaan mereka sehari-hari sebagai dokter dan bukan itu saja, semoga

masyarakat yang lain yang ikut hadir dalam webinar ini bisa mendapatkan wawasan pengetahuan tentang bagaimana mereka harus bersikap atau berhadapan dengan kasus covid-19 manakala nanti bersentuhan dalam lingkup dunia kedokteran". Tutupnya

Webinar International ini dibuka untuk umum dan hanya menerima 500 peserta serta mendapatkan sertifikat.
