

The 3rd International Conference on Informatics, Multimedia, Cyber, and Information System

Wednesday, 11 August 2021 22:09 WIB

Call For Papers

“ The 3rd International Conference on Informatics, Multimedia, Cyber, and Information System (ICIMCIS)

... October 28-29, 2021
Virtual Conference

Faculty of Computer Science, Universitas Pembangunan Nasional Veteran Jakarta, kindly invite students, researchers and practitioners in the field of information and communication technology (ICT) to disseminate the results of their current researches and discuss current issues in ICIMCIS 2021: International Conference on Informatics, Multimedia, Cyber, and Information System. The conference is also a forum for gathering ideas from thinkers resulting in both pure and applied breakthroughs. Some researchers who will disseminate the results of their research come from various well-known universities in Indonesia and abroad. ICIMCIS 2021 proceedings will be published in IEEE Xplore (approved and presented) and indexed by relevant databases such as SCOPUS.

Topics

Topics of interest include but are not limited to:

• Informatics (Artificial Intelligence, Information Retrieval, Robotics, Software Engineering, Data Mining and Data Warehousing, Pervasive Computing)

International Conference
on Information Cyber Security and Information Technology

"The Role of ICT in the New Normal Era towards Society 5.0"
Jakarta, 28-29 October, 2021
Faculty of Computer Science
UPN Veteran Jakarta

Important Dates

- Open Submit:
2 May 2021
- Final Submit:
22 August 2021
- Final Acceptance Announcement:
15 September 2021
- Registration & Payment:
29 September – 25 October 2021
- Early Bird Registration:
16 September – 01 October 2021
- Final Camera Ready:
5 October 2021

Topics

- Artificial Intelligence
 - Information Retrieval
 - Robotics
 - Software Engineering
 - Data Mining and Data Warehousing
 - Pervasive Computing
- E-learning and Knowledge Management
 - Communication Management
 - Web Technology and Internet Commerce
 - Technology in Media
 - Technology Adoption
 - Technology Innovation
 - Technopreneurship
- Big Data
 - Green Information Technology
 - Communication Technology
 - Information Security Policy
 - Cryptography
- Business Intelligence
 - IT Service Management
 - Business Process Management
 - IT Governance
 - E-Business and E-Commerce
 - E-Education
 - E-Government
 - Enterprise Resource Planning
 - IT Project Management
